Application No. 10/698,111

Continuation of Substance of Interview including description of the general nature of what was discussed: The Examiner initiated a telephone interview with the Applicant's representative, Mr. Wagner (Reg. No. 35,398), to propose an Examiner's Amendment in order to expedite prosecution; the Examiner's proposed amendments have been attached to this Office Action. Mr. Wagner after contacting the Applicant stated that the client did not want to amend the application as proposed by the Examiner and wishes to continue to proceed with the Appeal Brief as filed on 11/04/2009. The Examiner has therefore moved forward with this Non-Final Office Action.
